Overview

Key Features

- Security heel provides added safety on snowy or icy ladders and stairs
- Rugged 500 denier nylon upper with waterproof membrane protects expensive work boots from the elements
- Extra large gusset provides easy on/of, allowing workers to efficiently prepare for work
- Compatible with orthopedic or custom footwear and fitting a wide range of shoe designs
- STABILicer outsoles with replaceable cleats provide excellent traction in ice and snow reducing the risk of slips and falls (cleat wrench included)
- Hook and loop cuff and nylon ankle strap with buckle provide an adjustable, custom fit over worker's boots for added safety
