

Justrite Safety Group

T45 - SANI-TUFF®
PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T45 - SANI-TUFF® cutting boards are made from a high density rubber compound that won't crack, splinter, swell, or absorb liquids or odors, and lasts far longer than cutting boards made from wood or plastic. Sani-Tuff® cutting boards are tested and certified by NSF International. The rubber compound used for these cutting boards has a high degree of resiliency preserving knife edges longer. Sani-Tuff® cutting boards can be resurfaced by sanding the board as needed.

Material: Rubber

Features and Benefits:

- Made from a buff high density rubber
- Optional cutouts and gravy groove available
