

Justrite Safety Group

T46 - PLASTI-TUFF™

PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T46 - PLASTI-TUFF™ cutting boards are made from a white high density polyethylene plastic that's highly resistant to warping and won't crack, splinter, swell, or absorb liquids or odors. Plasti-Tuff™ cutting boards are tested and certified by NSF International. Longer custom lengths available for use in restaurant prep areas and sandwich stations.
