

AROUND THE HOME For family projects involving ink, paint, adhesives and dirt.

FOR AUTO WORK Removes grease, oil and dirt. The finishing touch.

ON THE JOB Removes dirt, tar, grease, paint, oil and caulk. The finishing touch.

Originally developed in 1893, Lava® is one of the best-known heavy-duty hand cleaners in the world. Over the years, Lava has earned a reputation as the brand to use on extremely dirty hands, no matter where you are or how dirty you get.

- Consumers rate Lava above average on the most important qualities of a heavy-duty hand cleaner:
 - High quality
 - Cleans hands well
